## Arizona Annual Production Reporting Statutes

### **A.R.S. §4-205.04. Farm winery license; issuance; regulatory provisions; retail site**

B. An applicant for a farm winery license, at the time of filing the application for the license, shall accompany the application with the license fee. Persons holding a farm winery license shall report annually at the end of each calendar year, at such time and in such manner as the director may prescribe the amount of wine produced or manufactured by them during the calendar year. If the total amount of wine manufactured during the year exceeds the amount permitted annually by the license, the licensee shall apply for and receive a producer's license only upon surrender of the winery license or licenses.

F. On application by a farm winery licensee, the director may authorize a farm winery licensee to operate up to two remote tasting and retail premises if:

1. The wine sold at the premises is limited to wine produced or manufactured by the licensed farm winery and wines produced or manufactured by other licensed farm wineries, including wines produced or manufactured pursuant to subsections d and e of this section. The farm winery may sell wine to a consumer physically present on the premises for consumption on or off the premises. Sales of wines not produced or manufactured by the farm winery shall be limited to no more than twenty per cent of the total sales by volume at that location. The percentage limitation shall not apply to wine produced pursuant to subsections d and e of this section.
2. The farm winery licensee:
  - a. Remains responsible for the premises.
  - b. Obtains approval for the premises from the local governing body before submitting an application to the department. A copy of an order from the local governing body recommending approval of the premises must be filed with the department as part of the application.
  - c. Does not sublease the premises.
  - d. Has an agent who is a natural person who meets the qualifications of licensure in this state.
  - e. Meets the qualifications for a license pursuant to section 4-203, subsection A.

### **A.R.S. §4-205.10. Craft distiller license; issuance; regulatory provisions; fee**

B. Persons holding a craft distiller license shall report annually at the end of each calendar year, at such time and in such manner as the director may prescribe, the amount of distilled spirits that is produced or manufactured by that licensee during the calendar year. In addition to any other provision of this title, if the total amount of distilled spirits that is produced or manufactured during the year exceeds the amount that is permitted annually by the license, the licensee shall apply for and, upon qualification, receive a producer's license only on the surrender of the craft distiller license and shall have no continuing rights as a craft distillery licensee under this section.

D. On application by a craft distillery licensee, the director may authorize a craft distillery licensee to operate one other remote tasting and retail premises if:

1. The distilled spirits sold at the premises is limited to distilled spirits produced or manufactured by the licensed craft distillery and distilled spirits produced or manufactured by another licensed craft distillery. The craft distillery may sell to a consumer physically present on the premises distilled spirits produced by the craft distillery or by other licensed craft distilleries in the original container for consumption on or off the premises. The sales of the distilled spirits produced or manufactured by other craft distilleries shall not exceed twenty per cent of the craft distillery's total sales by volume.
