

ANNUAL PRODUCTION REPORT COVER SHEET

Arizona requires five (5) liquor licensees to report production annually (see table below). Annual Production Reports submitted to the Department will be reviewed to ensure annual production compliance.

Effective June 30, 2013 the Annual Production Report must be received by the Department 30 days after your reporting period ends. A completed Annual Production Report includes a copy of the most recent operations report(s) filed with the TTB and the notarized original of this cover sheet. Copies of the TTB operations reports you submit must coincide with the Arizona production reporting period shown below. If you file monthly or quarterly with the TTB, please include all reports that collectively reflect your Arizona reporting period. If you file annually (wineries only) with the TTB, please include the two most recent annual reports submitted to the TTB. TTB operations forms can be found on the TTB website (<http://www.ttb.gov/forms/index.shtml>) and are named: *Brewer's Report of Operations* and *Report of Wine Premises Operations*. Arizona reporting periods are:

Arizona Annual Production Reporting Statutes

A.R.S. §4-205.04. Domestic farm winery license; issuance; regulatory provisions; retail site

B. An applicant for a domestic farm winery license, at the time of filing the application for the license, shall accompany the application with the license fee. Persons holding a domestic farm winery license shall report annually at the end of each fiscal year, at such time and in such manner as the director may prescribe the amount of wine manufactured by them during the fiscal year. If the total amount of wine manufactured during the year exceeds the amount permitted annually by the license, the licensee shall apply for and receive a producer's license.

A.R.S. §4-205.08. Domestic microbrewery license; issuance; regulatory provisions; retail site

B. An applicant for a domestic microbrewery license, at the time of filing the application for the license, shall accompany the application with the license fee. Persons holding a domestic microbrewery license shall report annually at the end of each calendar year, at such time and in such manner as the director may prescribe the amount of beer manufactured by them during the calendar year and the amount delivered pursuant to subsection D, paragraph 5, subdivision (b). If the total amount of beer manufactured or delivered during the calendar year exceeds the amount permitted annually by the license, the licensee shall apply for and receive a producer's license.
